

# **APPENDICE 2 – Mappatura dei pericoli climatici significativi**

## **2.1 Analisi e mappatura dati territoriali**

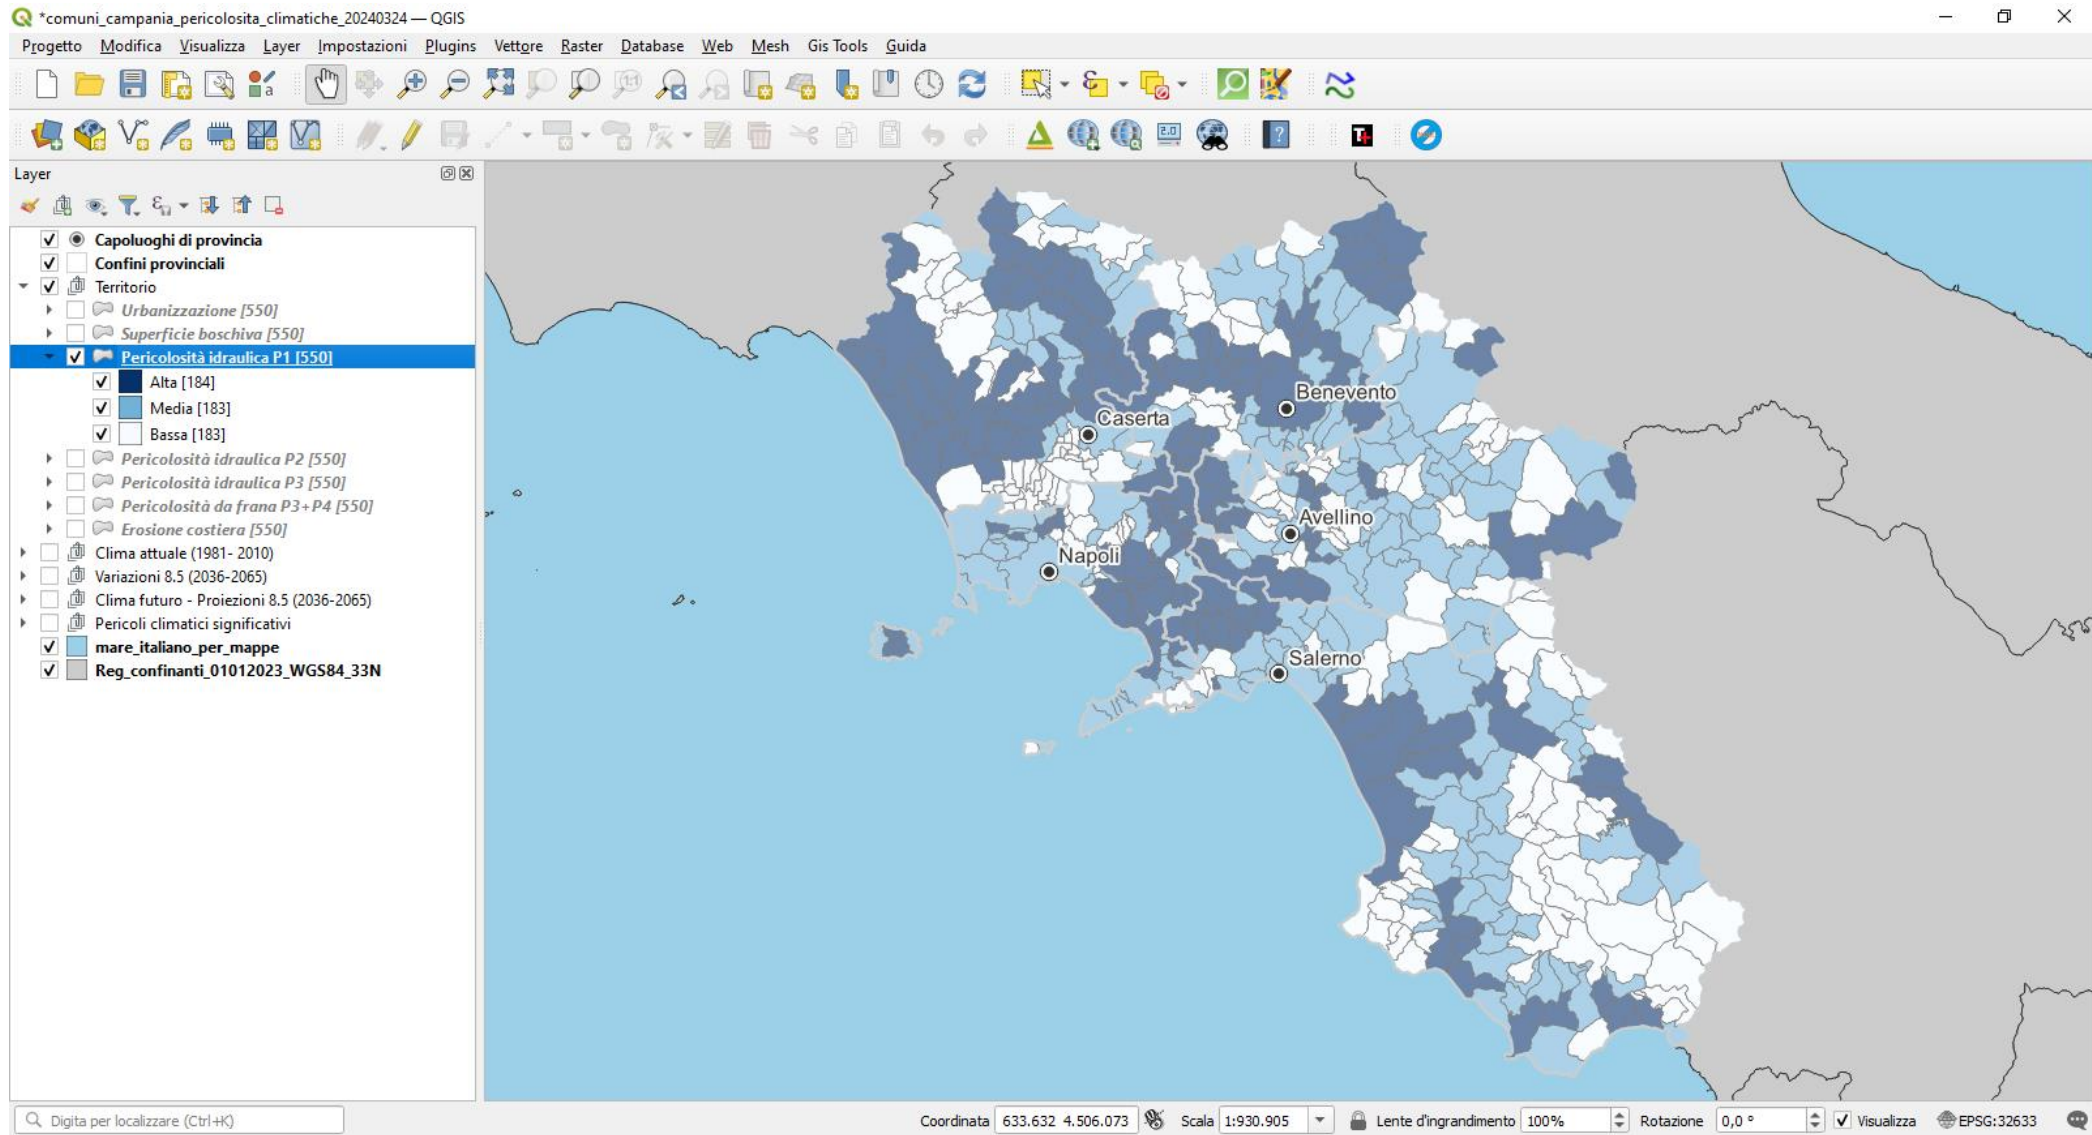

**Sulla base delle informazioni rese disponibili da ISPRA e CORINE e dei dati climatici riportati nella APPENDICE 1**

Territorio – Urbanizzazione

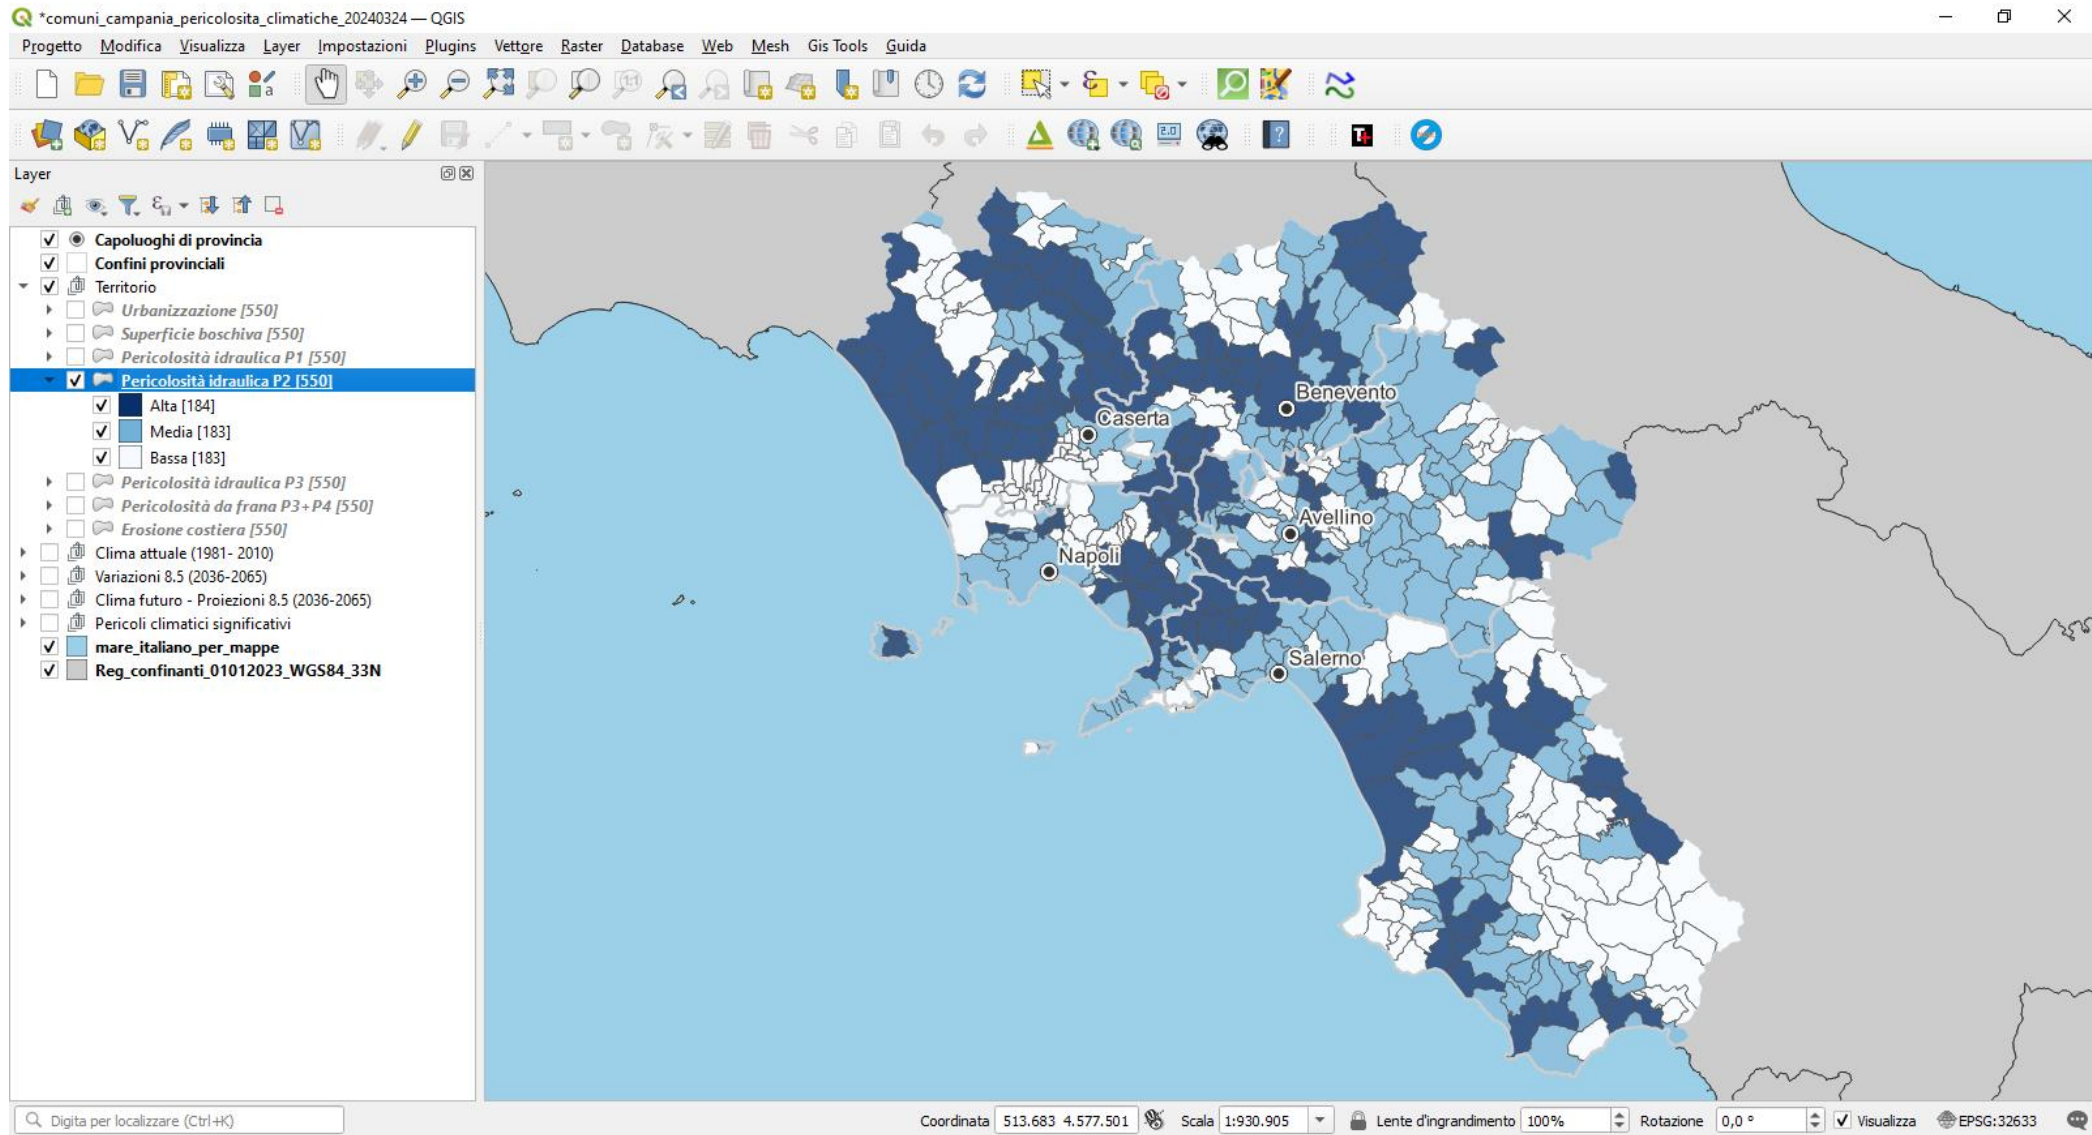

Territorio – Superficie boschiva

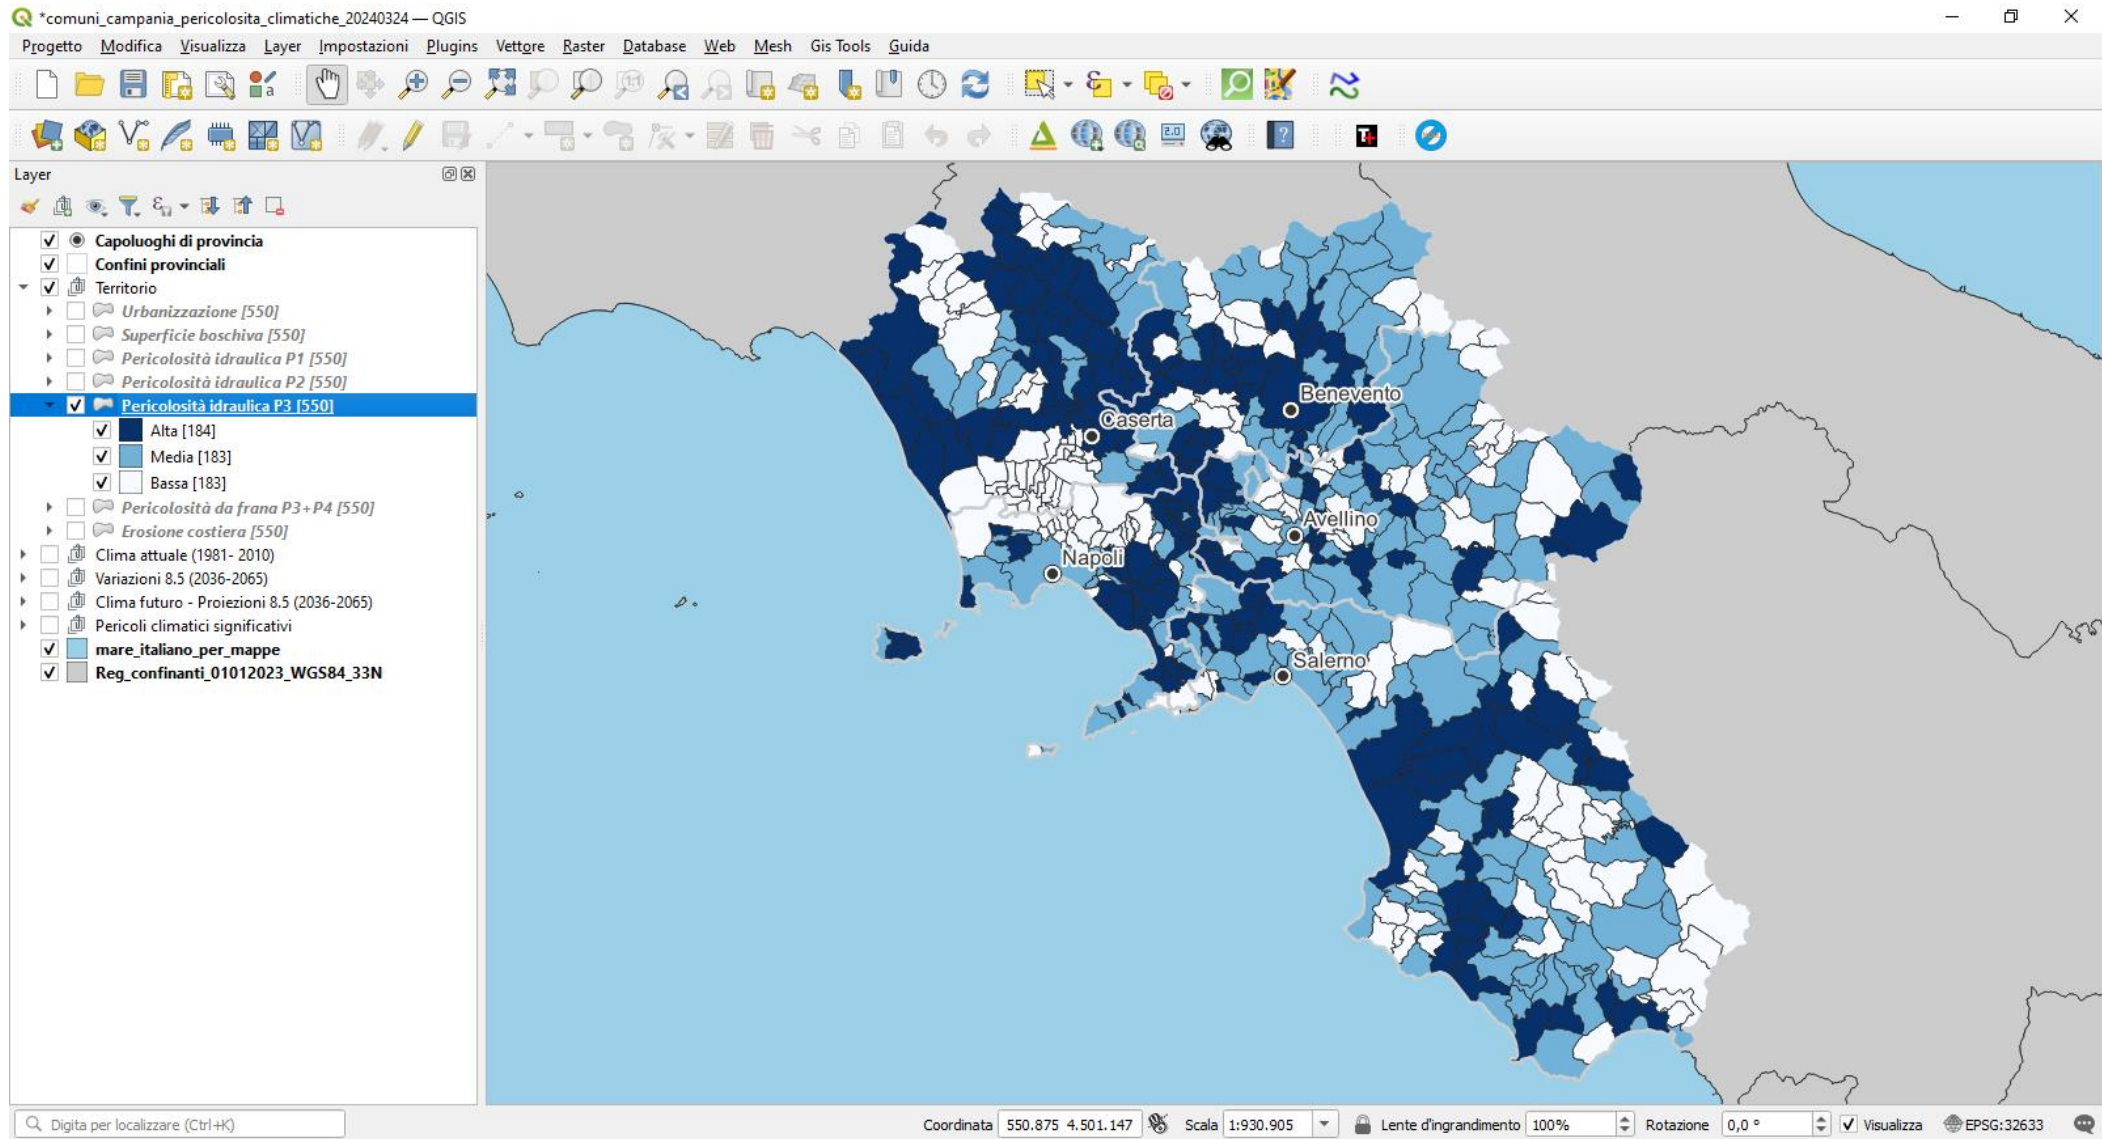

Territorio – Pericolosità idraulica P1

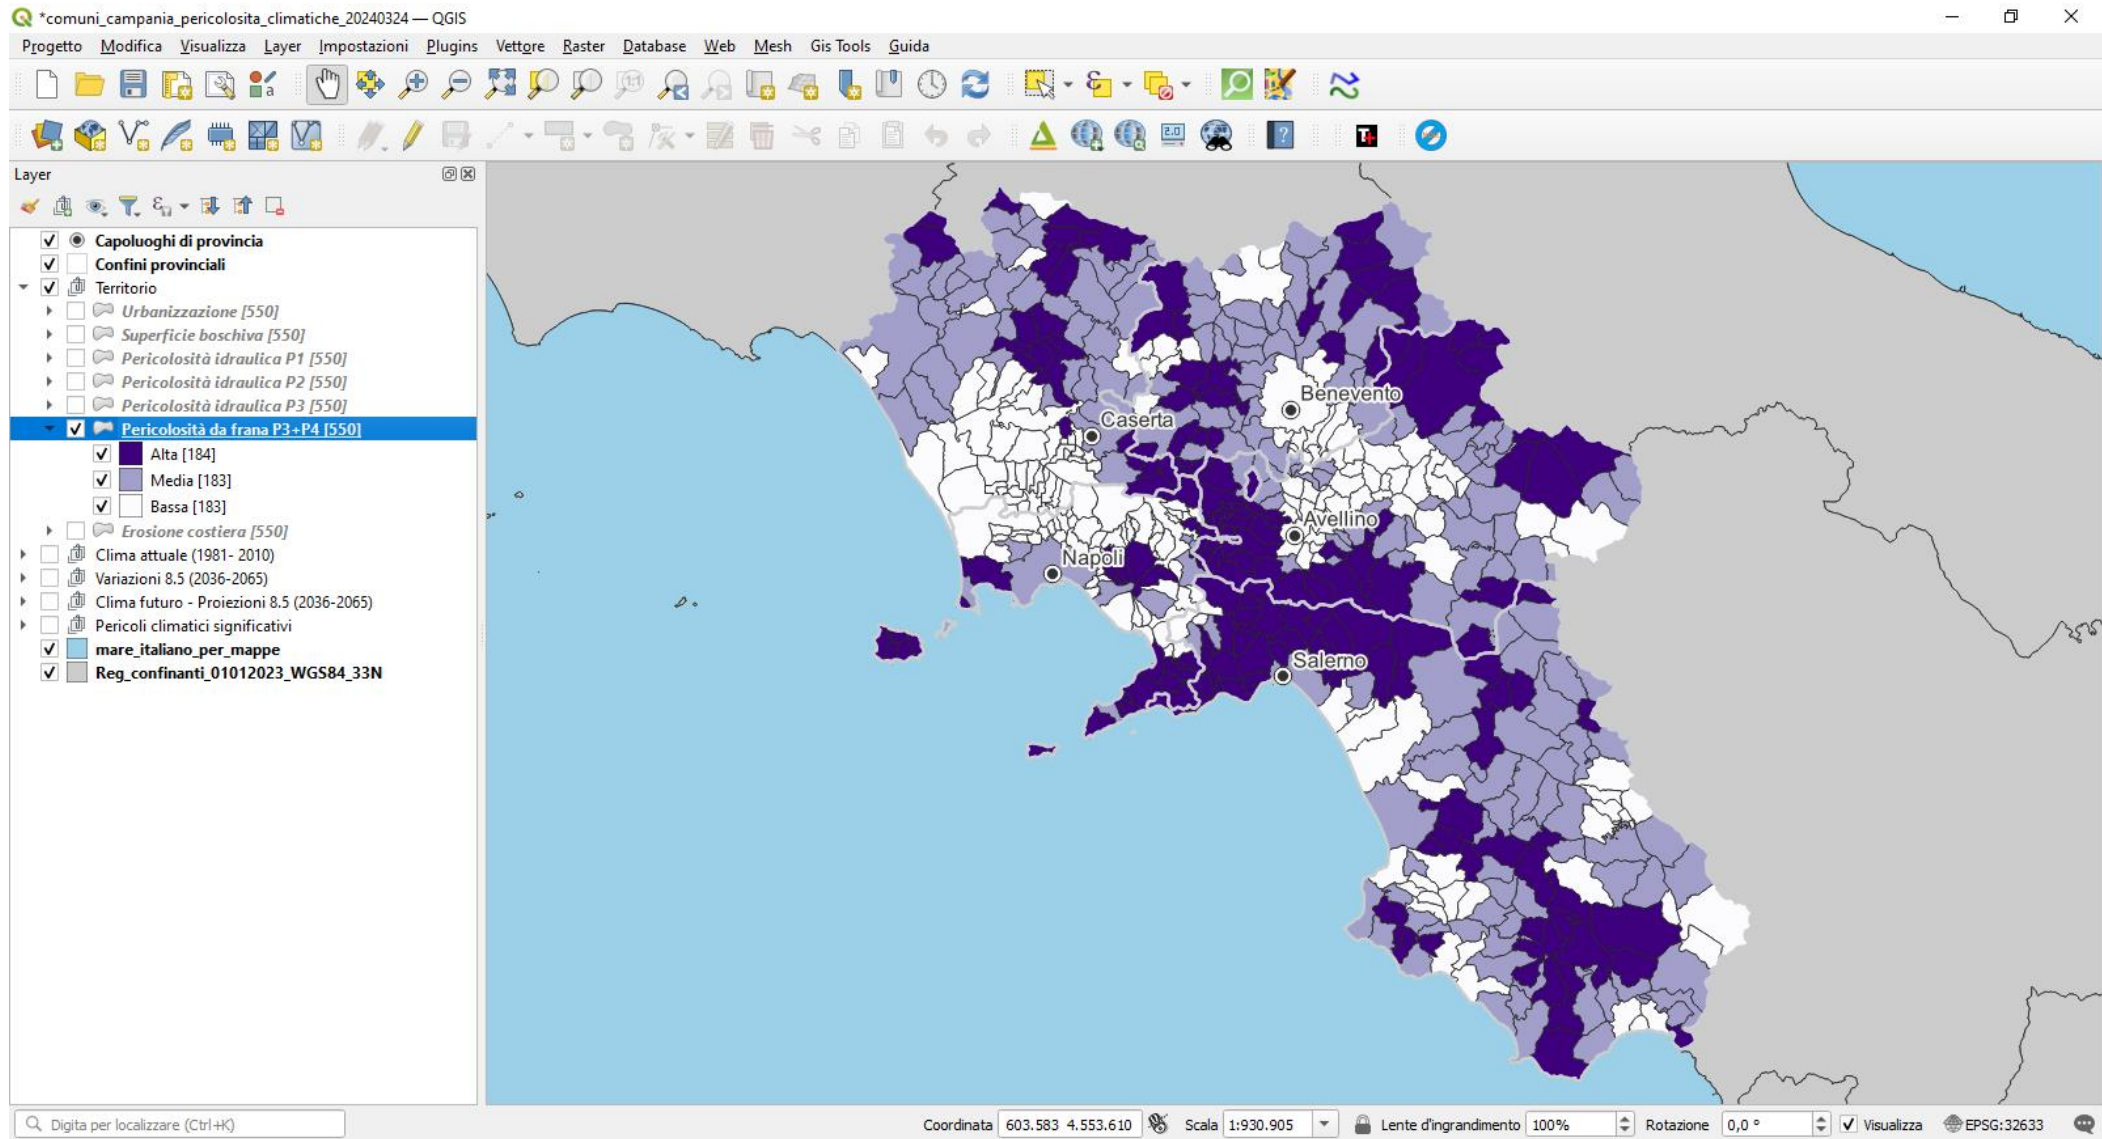

Territorio – Pericolosità idraulica P2

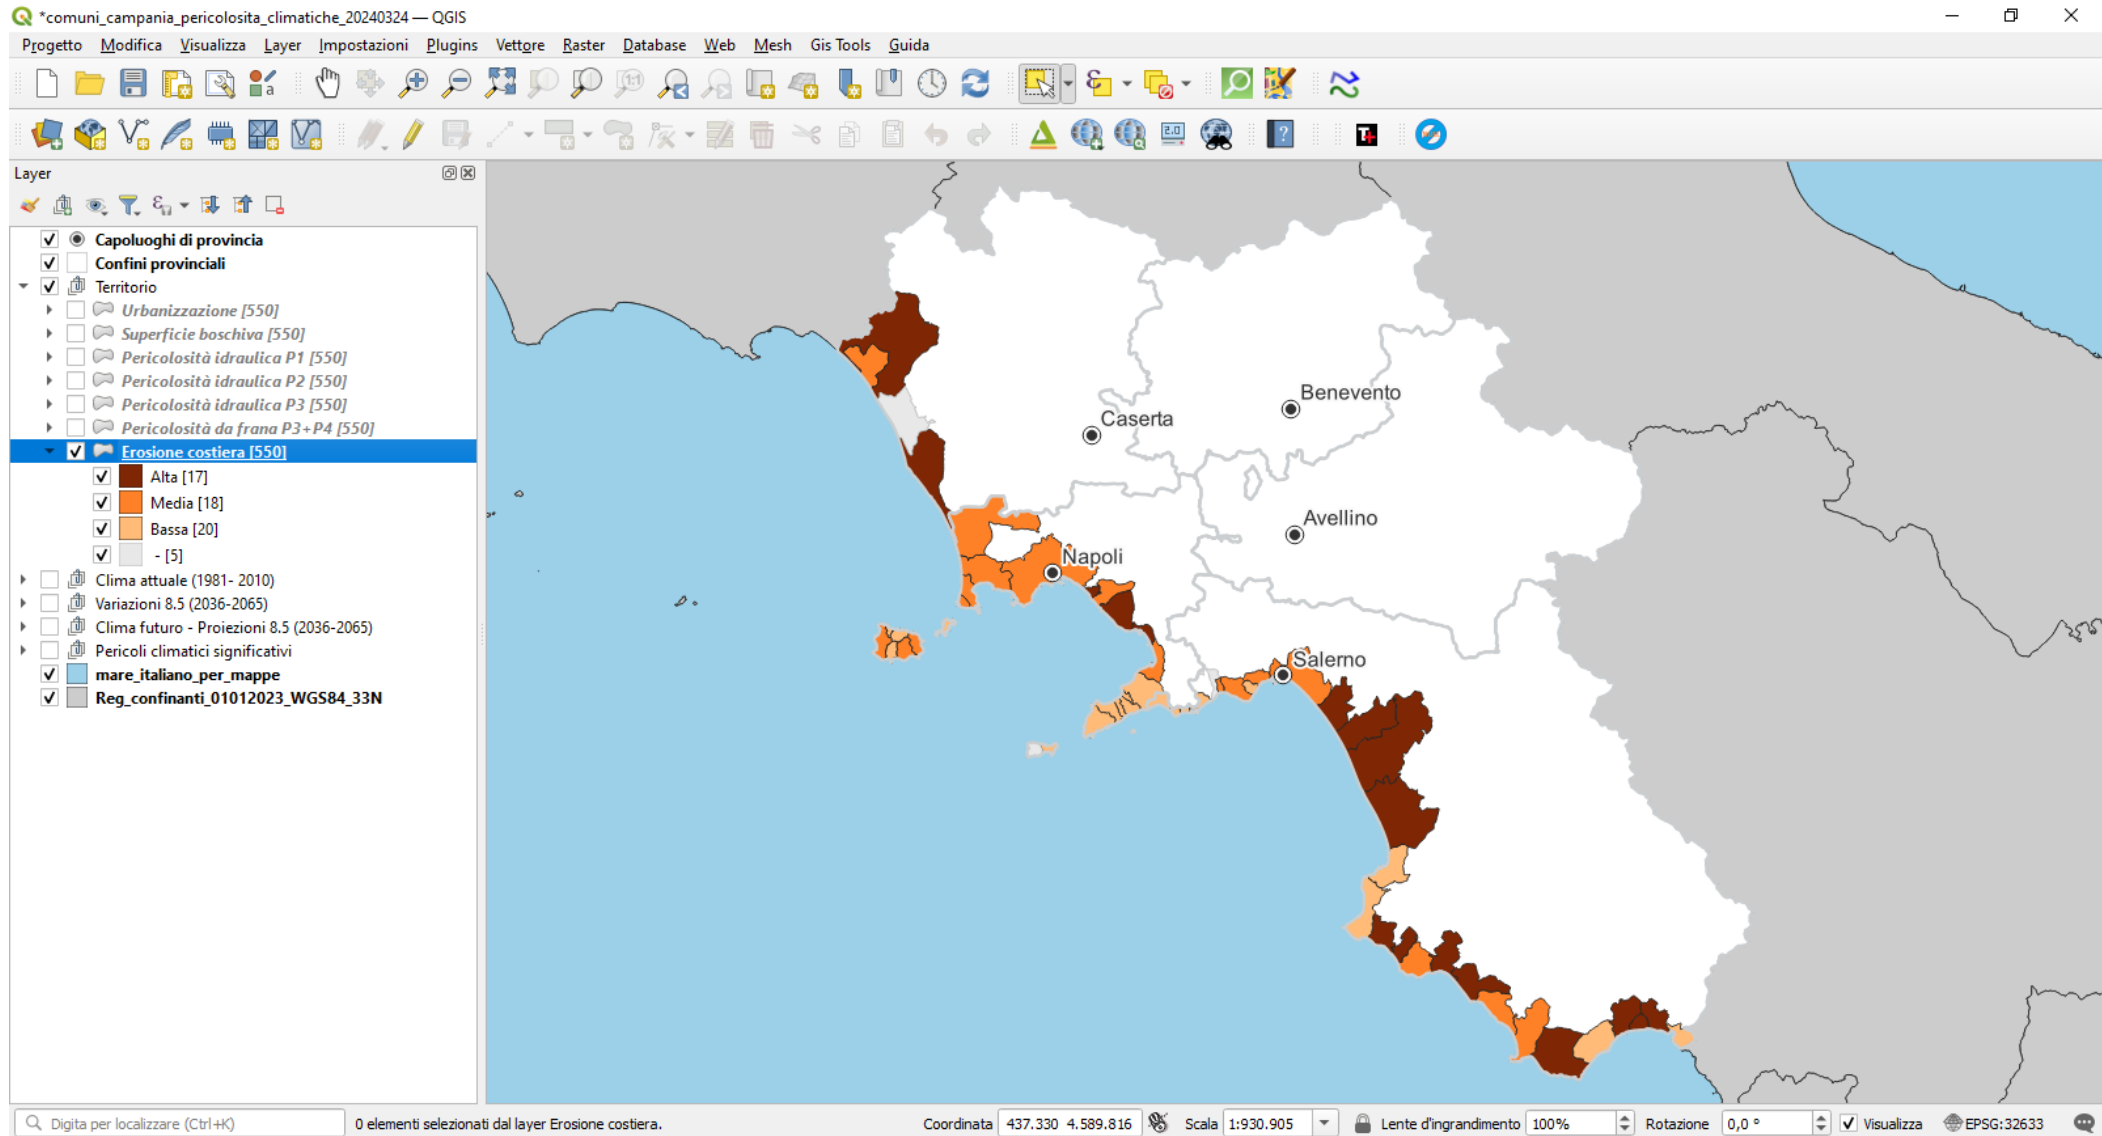

Territorio – Pericolosità idraulica P3

Territorio – Pericolosità da frana P3+P4

Territorio – Erosione costiera

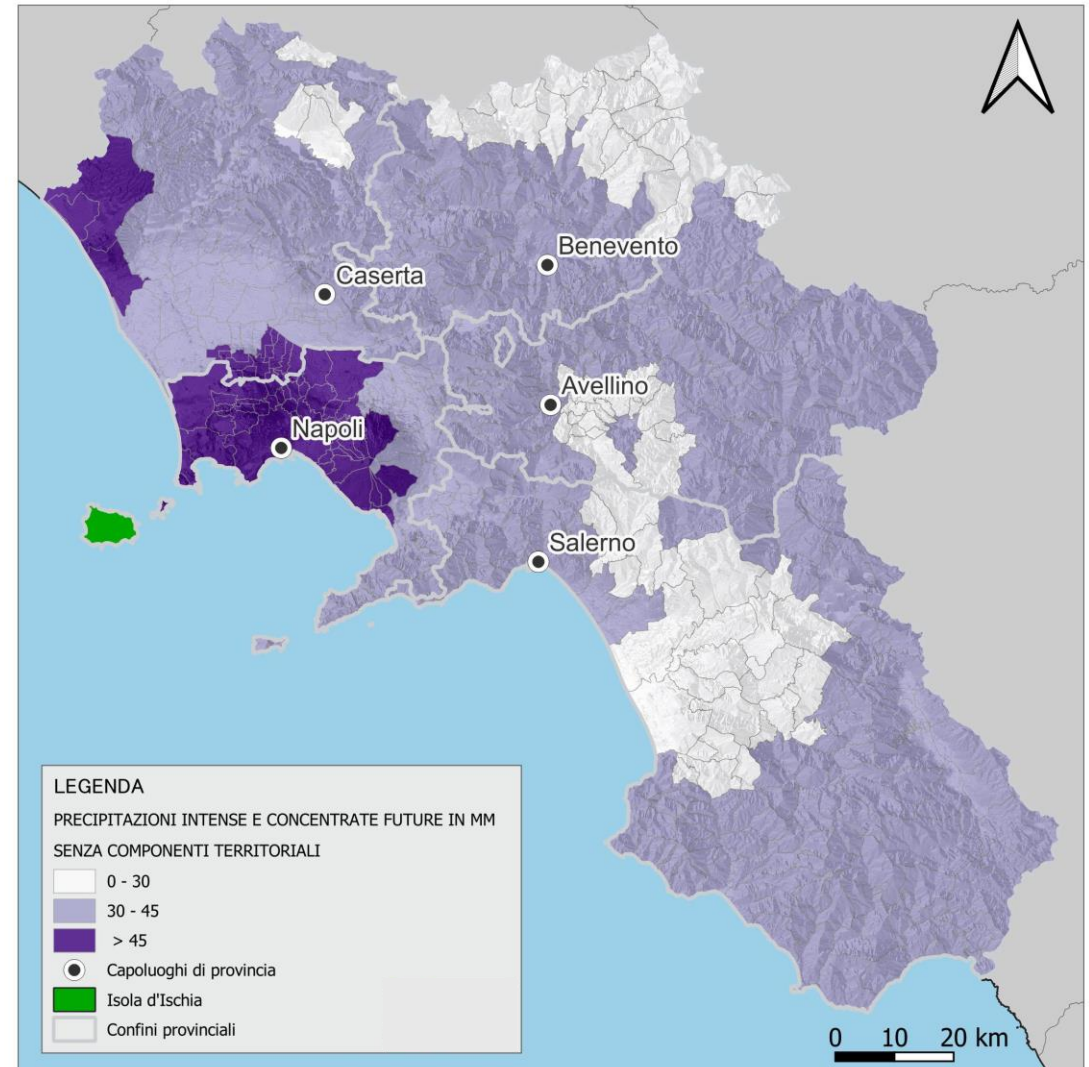

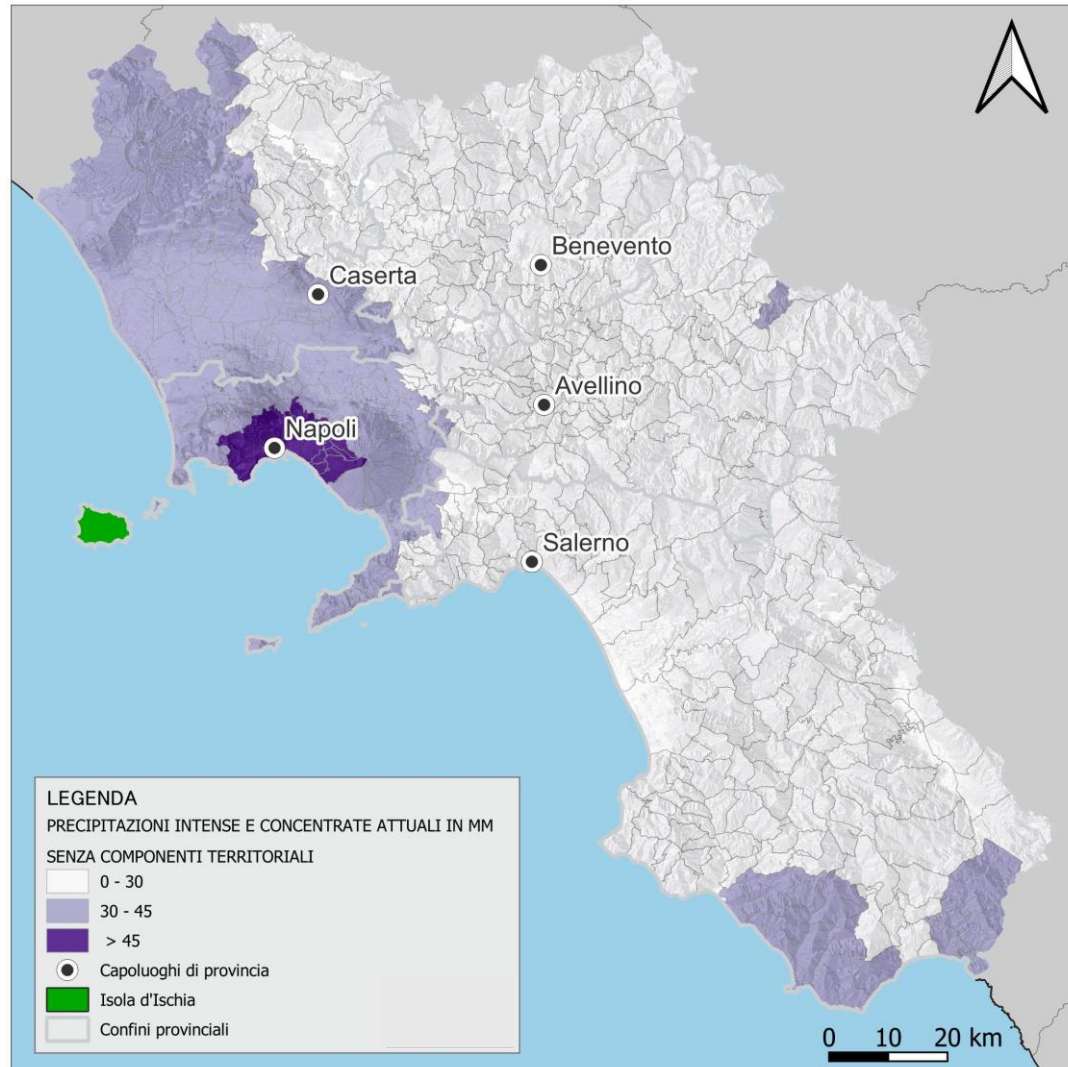

# **APPENDICE 2 – Mappatura dei pericoli climatici significativi**

## **2.2 Analisi e mappatura dati territoriali**

**Sulla base delle informazioni rese disponibili da ISPRA e CORINE e dei dati climatici riportati nella APPENDICE 1**

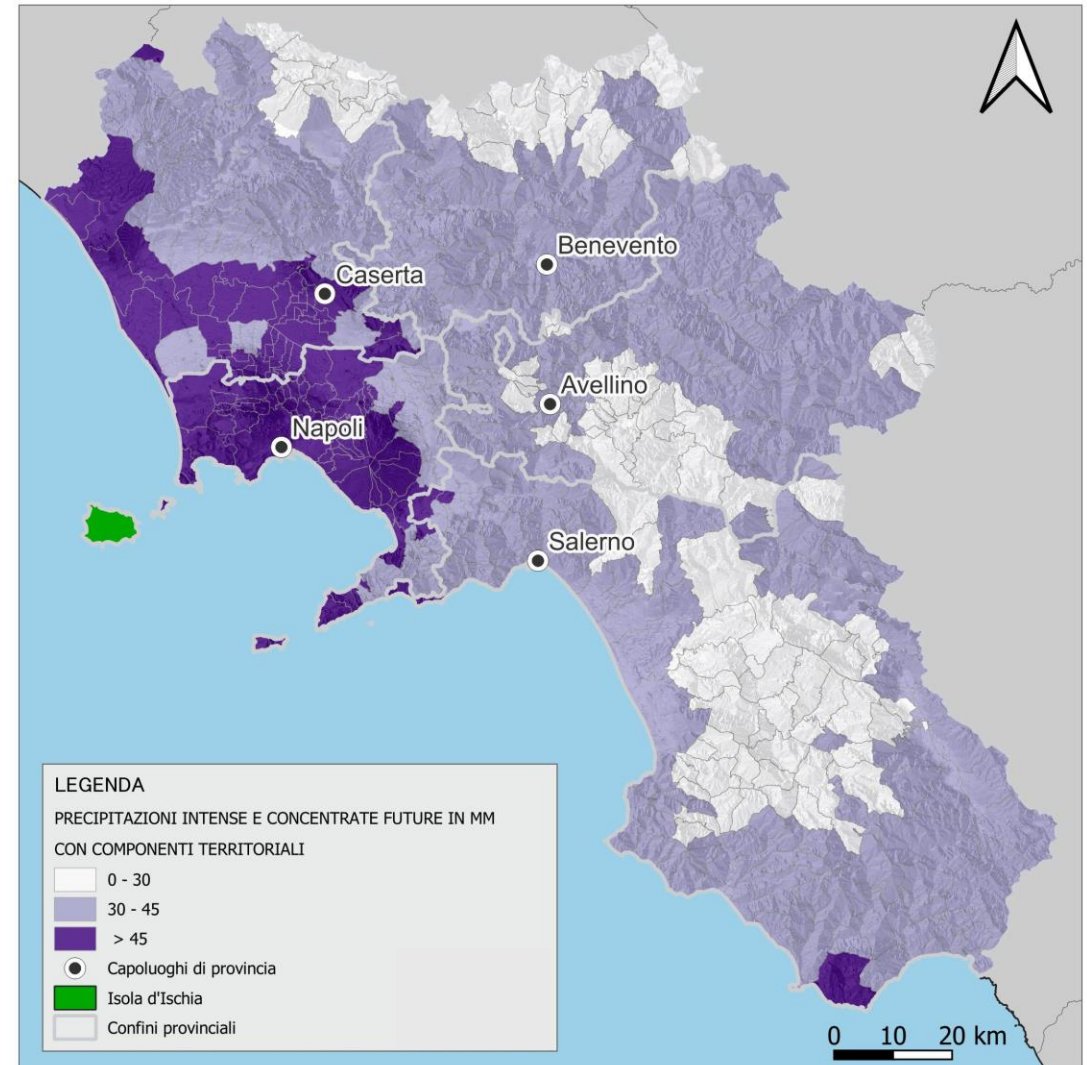

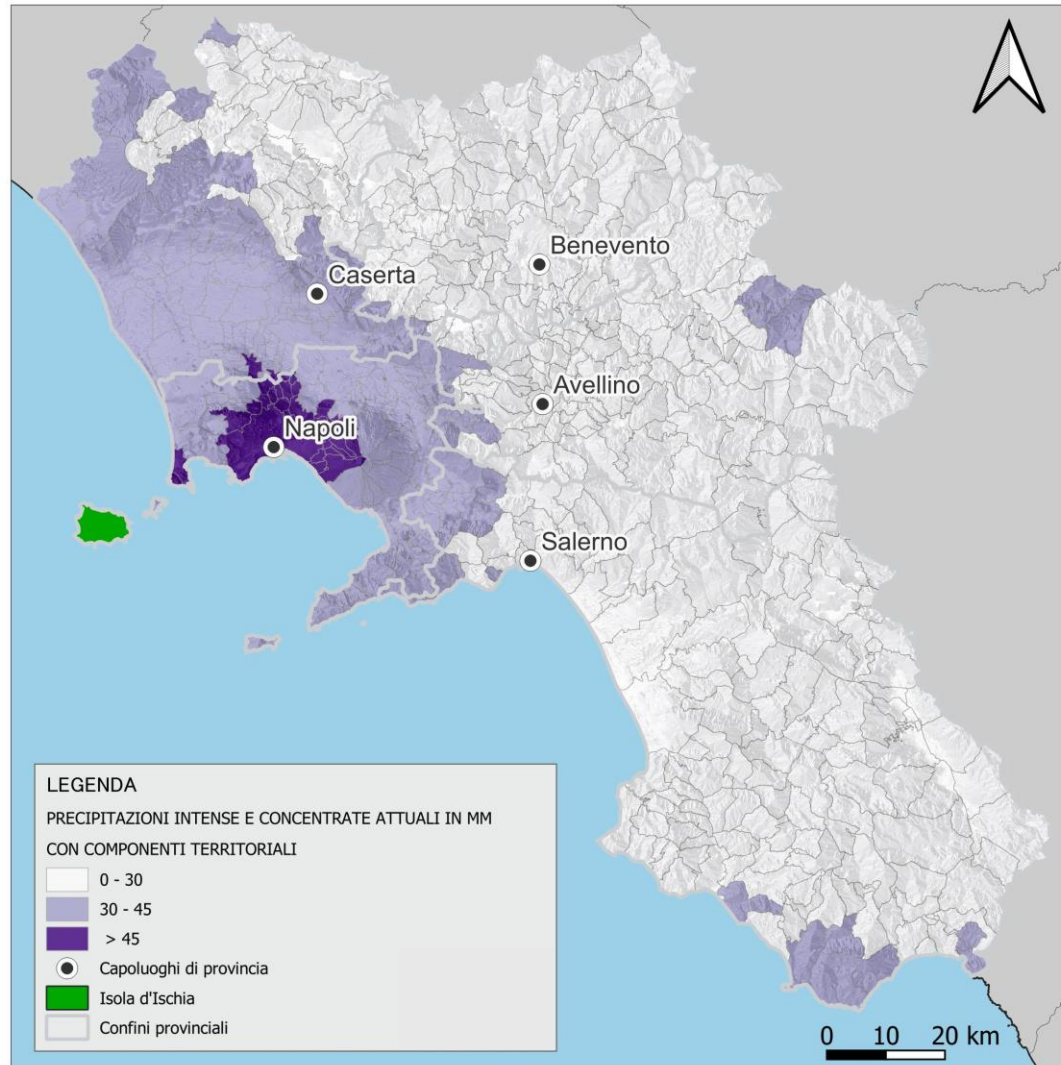

# Precipitazioni intense e concentrate senza componenti territoriali

## Attuali e Future

# Precipitazioni intense e concentrate con componenti territoriali

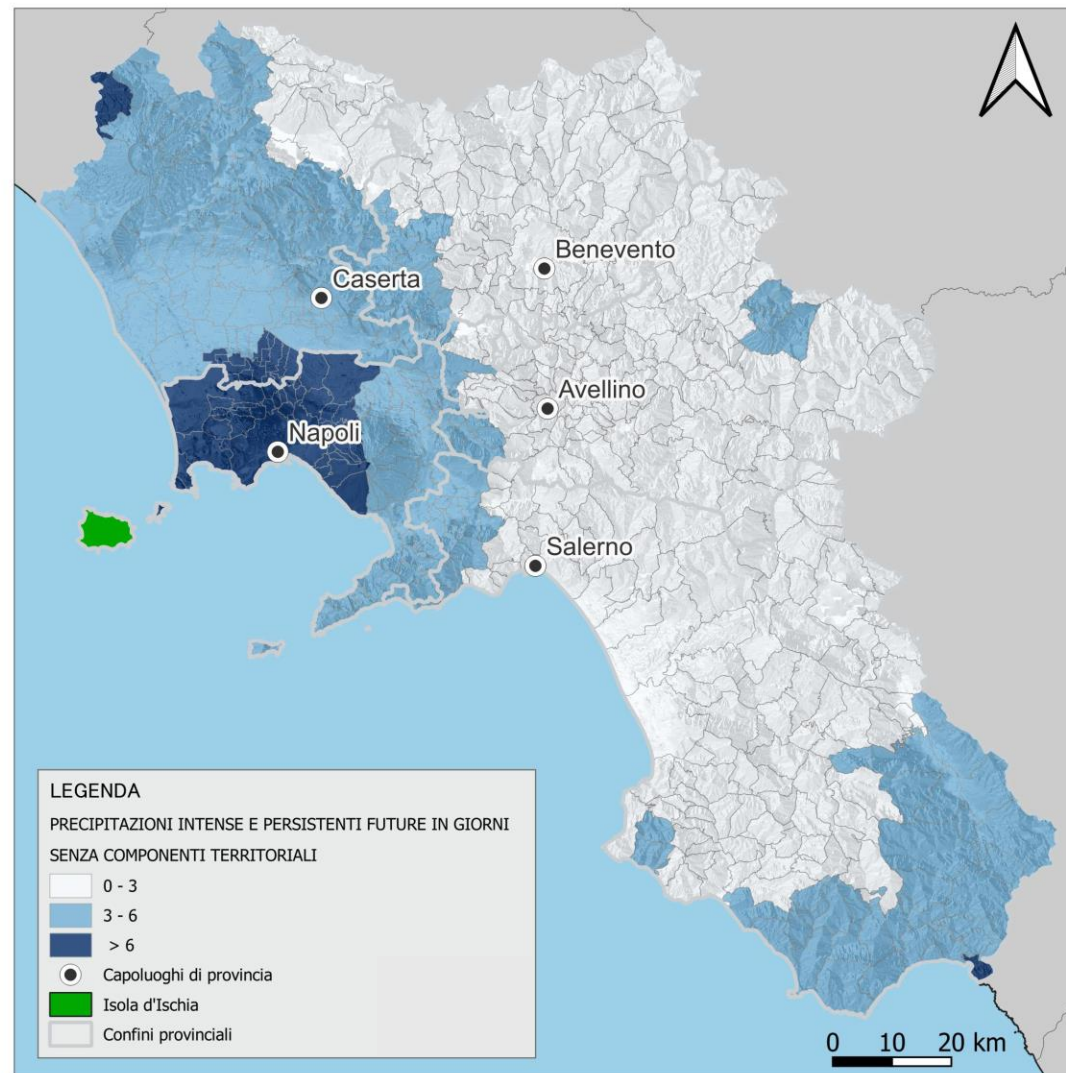

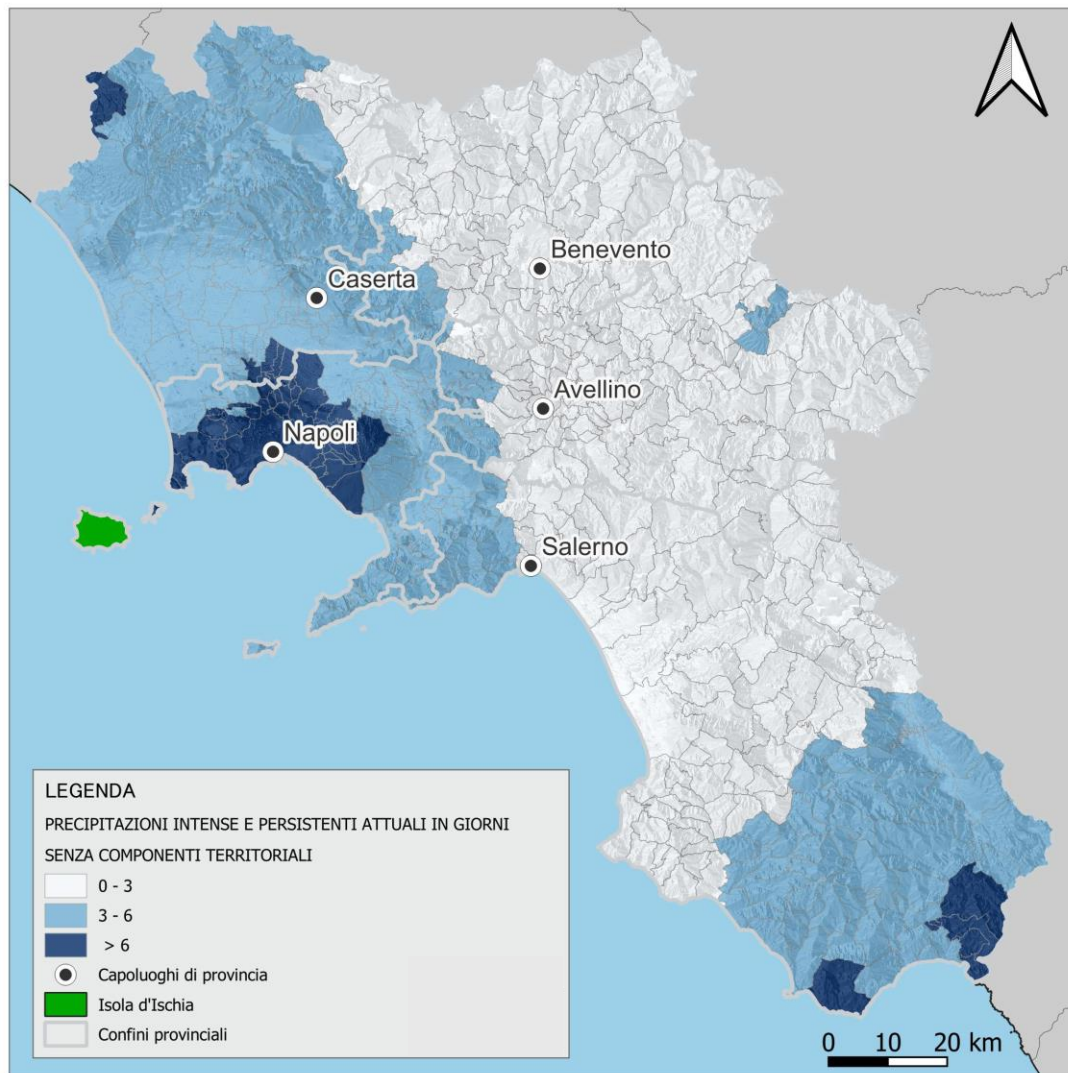

## Attuali e Future

# Precipitazioni intense e persistenti senza componenti territoriali

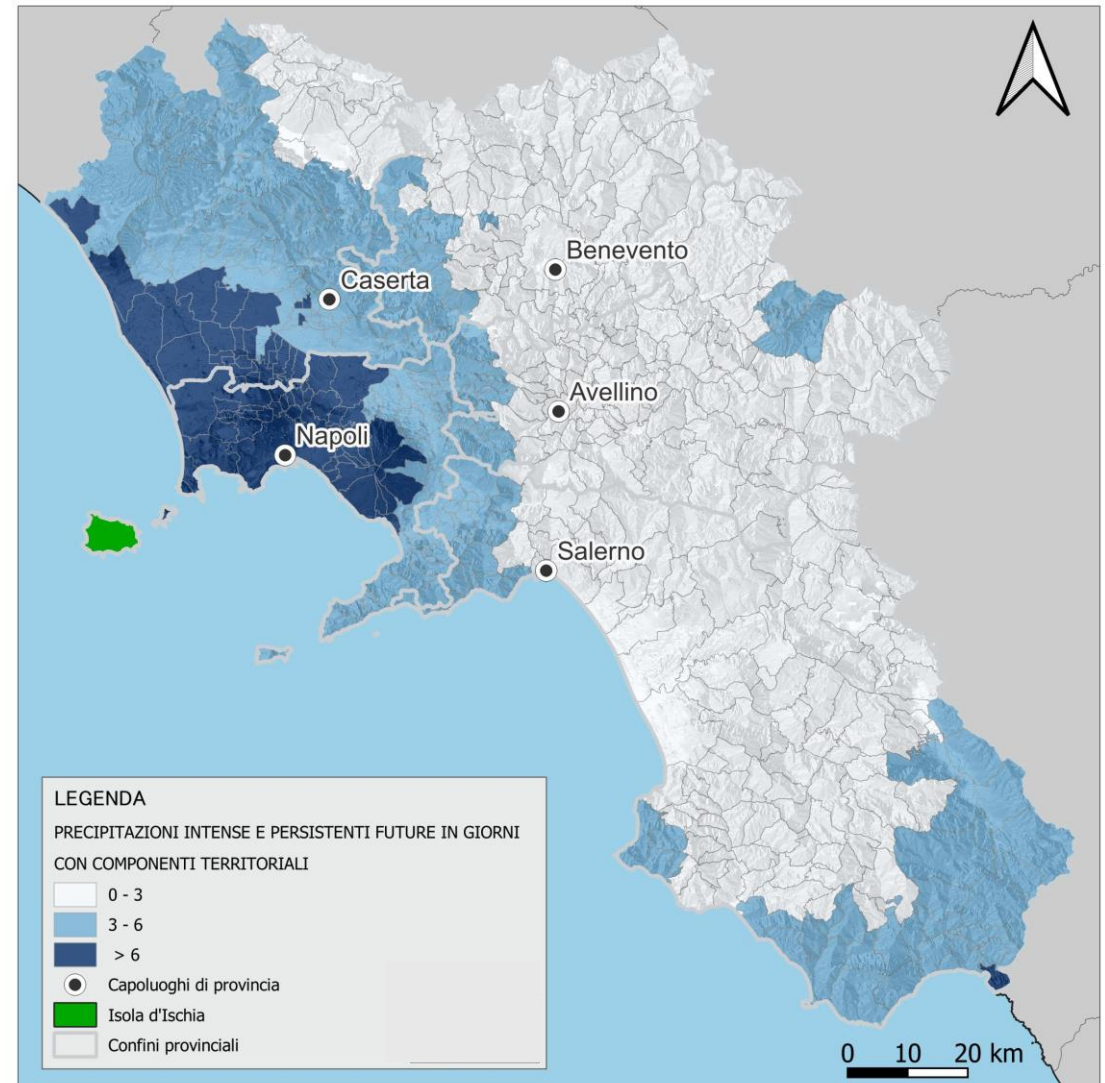

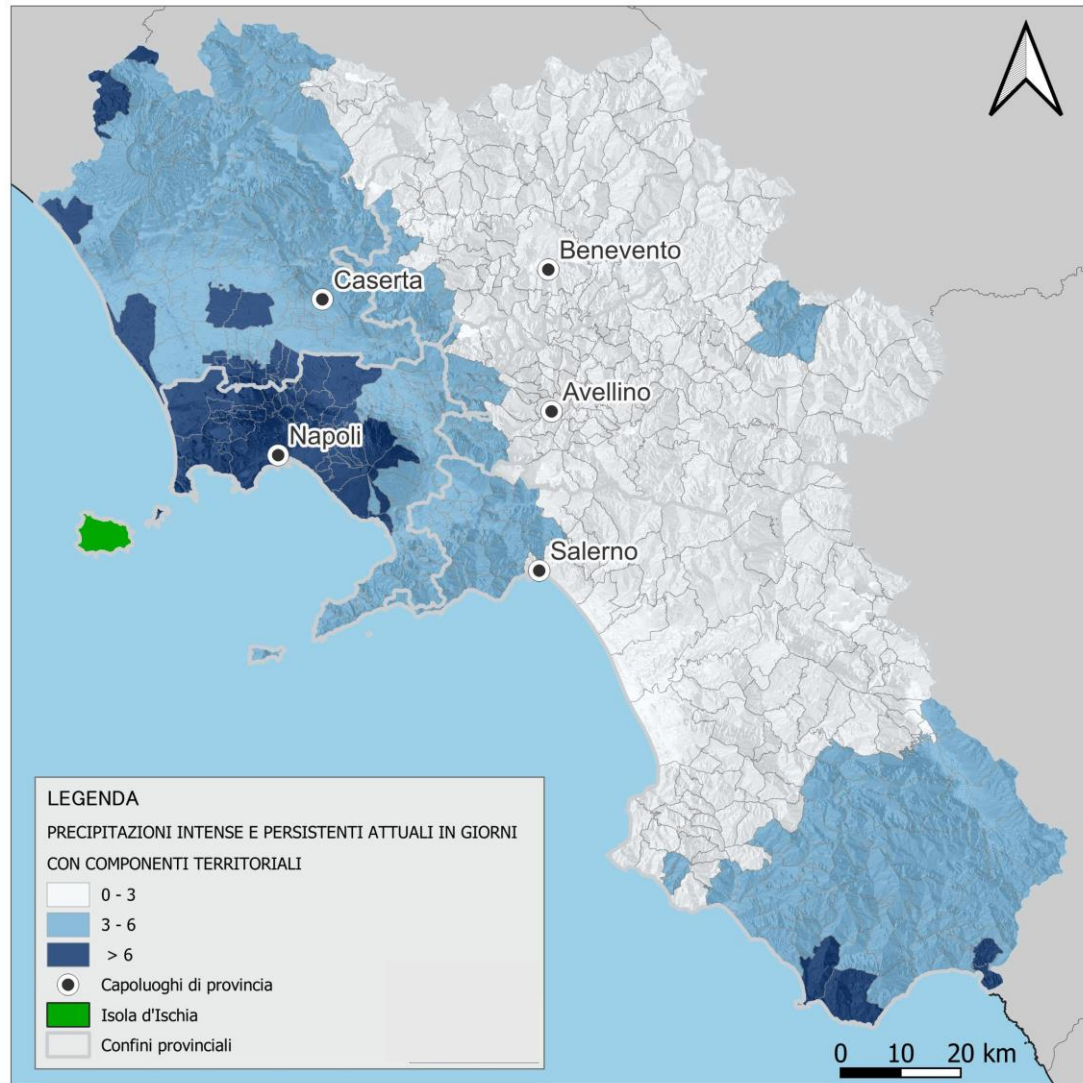

## Attuali e Future

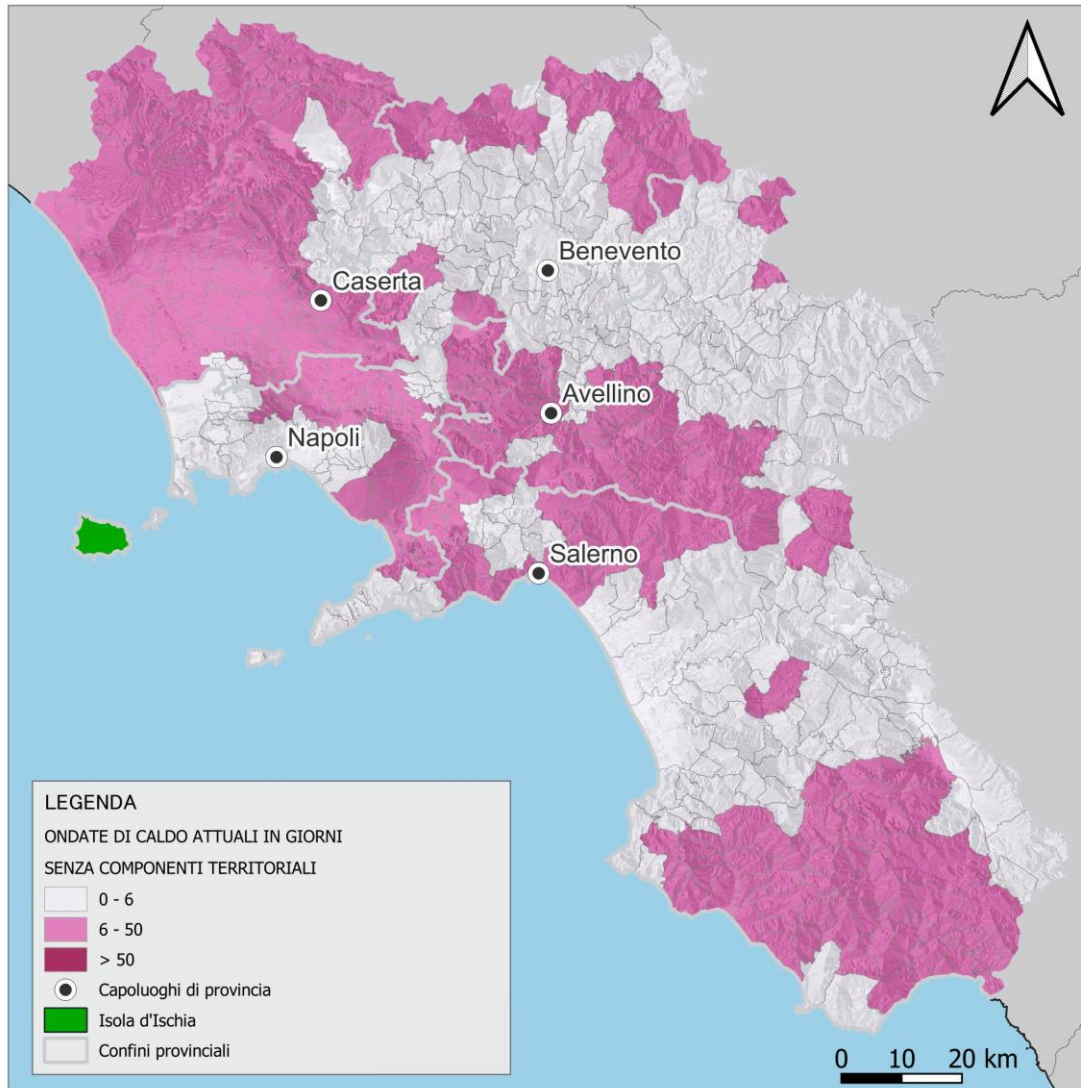

# Precipitazioni intense e persistenti con componenti territoriali

## Attuali e Future

# Ondate di caldo senza componenti territoriali

## Attuali e Future

# Ondate di caldo con componenti territoriali
